## TWELTH AUSTRALIAN COAL PREPARATION CONFERENCE

### CLEANING COAL TO SECURE OUR FUTURE

**Darling Harbour, New South Wales**

**19-23rd October 2008**

### CALL FOR PAPERS

The Conference Technical Committee invites authors to submit 300 word abstracts on any aspect of coal preparation and utilisation to:

Attention: The Editor  
[Confedit@acps.com.au](mailto:Confedit@acps.com.au)

The number of papers will be limited and selected on merit and for the balance of the program. Papers will only be accepted on the basis that at least one author will be attending the conference to present the paper. Abstracts must be received by 21st Sep 2007.

In particular papers are called for the areas of:

**New Plants**  
**Upgrades**  
**Clean Coal**  
**Water in Mining**  
**Materials Handling**  
**Flotation**  
**Dense Medium**  
**Dewatering**  
**Control/Instrumentation**
